Dear Mr. Deveraux,

Thank you so much for your donation of an Easy Garden Box. It is now set up and will be an important teaching tool for our horticulture classes, particularly vegetable crops.

It is just the right size for a small household or a classroom setting, and Mr. Robinson was able to assemble it with ease.

We hope that you will visit us in a few months, when we have it bursting with educational plants!

Sincerely,

Angela O'Callaghan
